

Barley Beta Glucan does not contain any sugar, artificial flavors, preservatives, corn, wheat, dairy, or yeast. Barley Beta Glucan is a natural soluble concentrate derived from whole barley and is a good source of dietary fiber. Fiber in the diet is essential for improving your health. Barley Beta Glucan helps maintain healthy cholesterol levels, improves glycemic response, helps with GALT immune maintenance and overall digestive health, and increases satiety which can help promote weight loss; GRAS approved, GMP, and Kosher. Barley Beta Glucan has 80x higher viscosity than other leading beta glucan concentrates. Barley Beta Glucan should be taken as part of a diet low in saturated fat and cholesterol.

Directions: As a dietary supplement, take two (2) capsules with water 1 to 3 times daily with meals or snacks. As with all dietary supplements, consult your medical professional before using if you have an existing condition.
